[Please Ensure You Use Your Computer Login Account And Not Email Account](#)

Stour Valley Remote Access

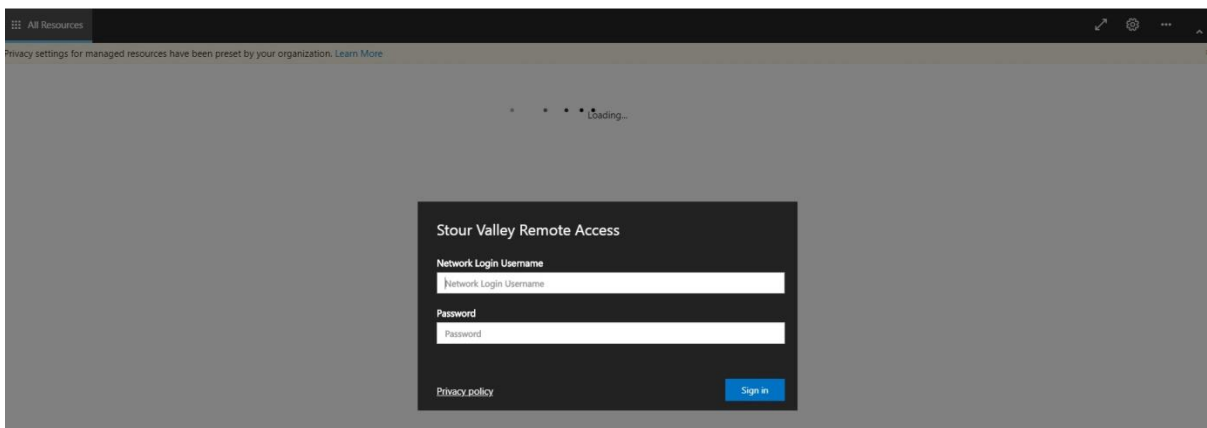

Use the links below to access the remote system.

[Remote Desktop Web Client](#) - Access all your school resources and desktop from inside your web browser.

[RemoteApps/RDweb](#) - Use this option to use RemoteApps or Desktop in a dedicated Window

Select Remote Desktop Web Client

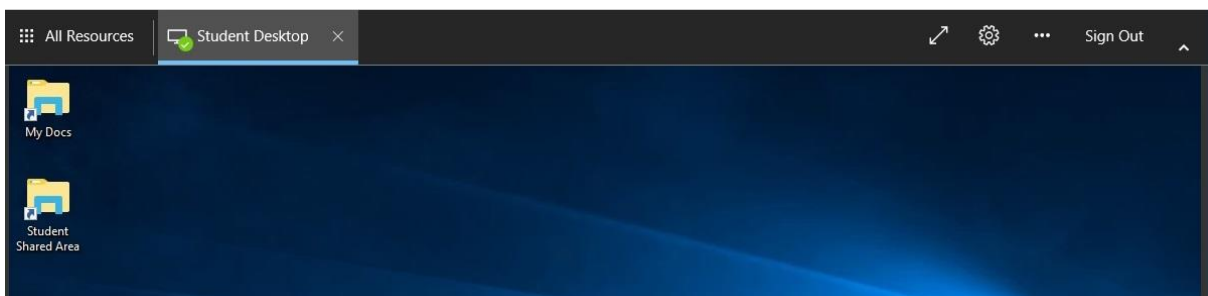

Type in Student Network Login Username and Password

Select Student Desktop

After a short load time the student will be presented with a desktop screen as if they were actually in school in a classroom.

Please remember to Sign Out when finished by clicking top right hand side.
