September 2022

Dear Year 11 Parents/Carers

Year 11 Parents, Carers and Students

SVCS will be hosting a Year 11 Parents/Carers' Information evening in the school hall on the 22 September 2022 between 5pm and 7pm.

In their final secondary school year, it is important to be fully aware of what lies ahead for students in preparation for their GCSEs. To best support your child it is important to be clear about dates and events taking place during Year 11 and we would like to invite you to the Year 11 Parents/Carers' Information evening. We will have a number of local Post 16 Education Providers in attendance for you to discuss options for your child.

If you wish to attend the evening, could you please complete the following online form:

School Support

Extra-curricular revision sessions will operate in most subject areas. We will distribute a timetable of subjects' additional revision to all parents/students.

There will be available some 1:1 mentoring for students who we feel would most benefit from this strategy, unfortunately, we have limited capacity and students will be spoken to directly by their Year Leader or Tutor. We will also be promoting revision techniques with students during form time and assemblies.

Yours faithfully

Mrs R Kelly
Headteacher
